### **6 v 6 Outdoor League**

#### **2012 Season Program Overview**

Kentucky Amateur Soccer League began the new 6 v 6 outdoor league in 2010 with spring, summer and fall sessions. For 2012 sessions, we will have a spring session to begin late March, a summer session to start the last week of May and finish with a fall session to begin around the second week of August. Each session will be 8 weeks long and all games will be played between 7pm and 9pm at Champion's Park off of River Rd and Zorn Ave. The men's league will be on Monday night's and the women's league will be on Thursday night's.

League fees for the 8 week session will be \$350 per team. Players must be 16 years of age or older when registering. If a player is between ages of 16 and 18 they must have parent or guardian approval. All players must be registered with the KASL, which means all players need to fill out a Kentucky Amateur Soccer League Registration/ Medical Release Form and pay the yearly dues of \$25 for the registration cost. The Player Registration/ Medical Release Form and fees will need to be submitted before your first session for new players and August 1<sup>st</sup> for returning players.

Players can be added to teams at anytime during the season by submitting a Kentucky Amateur Soccer League Registration/ Medical Release form and yearly registration fee to the KASL office one week prior to the first game. The KASL will have your updated registered players at each league game and if a player is not registered, they will not be allowed to play until they submit the registration form and fee.

Team applications, team fees, player registration forms, and yearly dues must be submitted one week prior to the start of the first session. All forms and checks can be mailed to Kentucky Amateur Soccer League, P.O. BOX 34113, Louisville, KY 40232. Please include team name on the top corner of your registration form. Once KASL receives your team application, player registration forms, and dues the KASL will send you your KASL approved team roster. Each team must have their approved roster with them at every game. Roster will be checked to insure all players are registered and dues have been paid.
