LSA Under 4 & Under 6

Once I finished my competitive soccer career at Catholic University, I knew I wanted to stay involved with the sport. I have been playing soccer for as long as I can remember and it has been a tremendous part of my life to date. I cherish the opportunity to share my love of the game with the youth players at LSA, along with fundamental skills and basic tactics. At the high school level I look to share the same, and in addition teach fitness, speed and agility, and advanced skilled and tactics.
